## Vienna PDE Afternoon

16.03.2022 from 15:00 to 15:30

From 15:00 to 15:30:

Gervy Marie Angeles (University of Vienna)

*Derivation of a model for lamellipodium with short actin filaments*

Abstract: <https://www.univie.ac.at/sfb65/#!/public/events/details/?type=1&id=643>

---

The seminars take place on Zoom. The Zoom link is sent per email through the DK/SFB Newsletter (normally sent either on Friday or during the weekend). You can subscribe to this newsletter at <https://www.univie.ac.at/sfb65/#!/public/news/newsletter/subscribe/>

Alternatively, if you are interested only in a given seminar, you could request a Zoom link by writing an email to [matteo.tommasini@univie.ac.at](mailto:matteo.tommasini@univie.ac.at) (please write your request from an institutional email address, so that we can minimize the risk of Zoombombing).
